

LAKEFRONT CHIEFS MINI-CAMP

\$265

LAKEFRONT CHIEFS MINI CAMP I

TBD

\$265

LAKEFRONT CHIEFS MINI CAMP II?

TBD

DAY 1

In the morning session campers learn the basics of cooking and sustainable farming techniques. Campers will also learn kitchen safety techniques. We will have a healthy, tasty lunch together at noon. In the afternoon, campers visit The Kid's Table Cooking School to learn how to prepare a fantastic, healthy meal!

DAY 2

Campers start the day with a visit to an urban garden to see how Chicago residents grow and harvest their own herbs, fruits and vegetables in a big city environment. At noon we will have a quick pause to have lunch together. In the afternoon campers take a cooking course at the Chopping Block, learning how to make delicious deserts from scratch!

WHO ARE WE?

Lakefront Scholars is an academic summer camp for kids ages 8 to 15. We feel the best way to increase children's engagement in the learning process is through direct and immediate application of classroom learning to a "real world" usage of STEAM (Science, Technology, Engineering, Arts, and Mathematics) components. **We make learning fun!**

WHAT MAKES US UNIQUE?

The **Lakefront Scholars** approach to academic enrichment and building language skills is simple: give kids opportunities to learn through hands on activities and by using their critical thinking skills. In addition, campers at Lakefront Scholars come from around the corner and around the world! We are proud of our global family and we recognize that learning involves more than just academics.

- Mini camp is an all day affair, beginning at 9 AM and continuing until 4:30 PM
- A healthy and delicious lunch is included
- Camp tuition cost includes transportation, entrance fees, camp t-shirt, and all workshop materials and studio fees!
- The mini camp is held at our Lincoln Park location during sessions 4, 5, and 6.
- State licensed teachers: all of our class instructors are experienced, state licensed teachers who are passionate about education.
